Where international, state, and county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

<sup>1</sup> A "\*" following a place name indicates that the place is coextensive with a MCD. A "o" following an incorporated place name indicates that the place is also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

<sup>2</sup> A "v" following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo-voting district or no information is available as to its status.

<sup>3</sup> A "\*" following a block number indicates that the block number is repeated elsewhere in the block.
